

Membangun Keterampilan Matematika dengan Mathlink Cubes

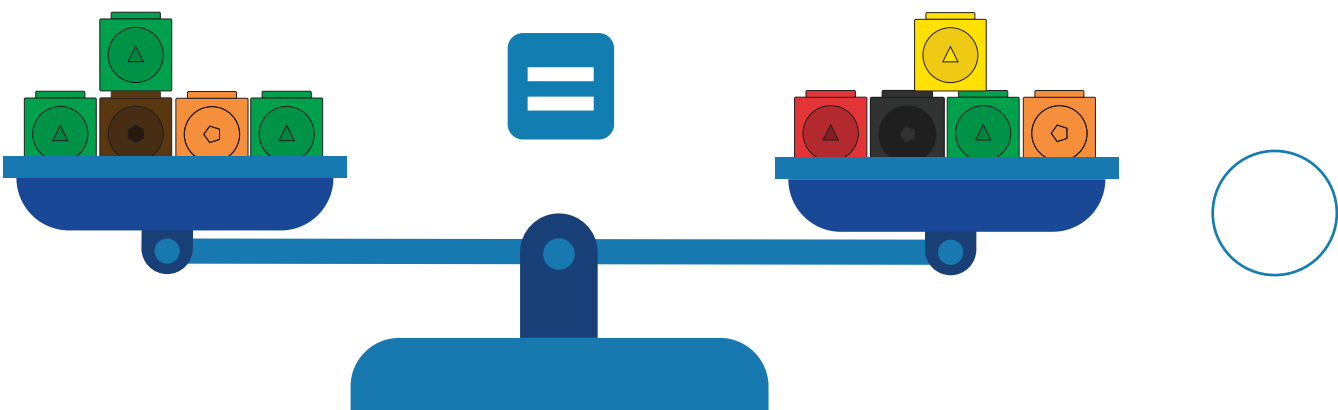

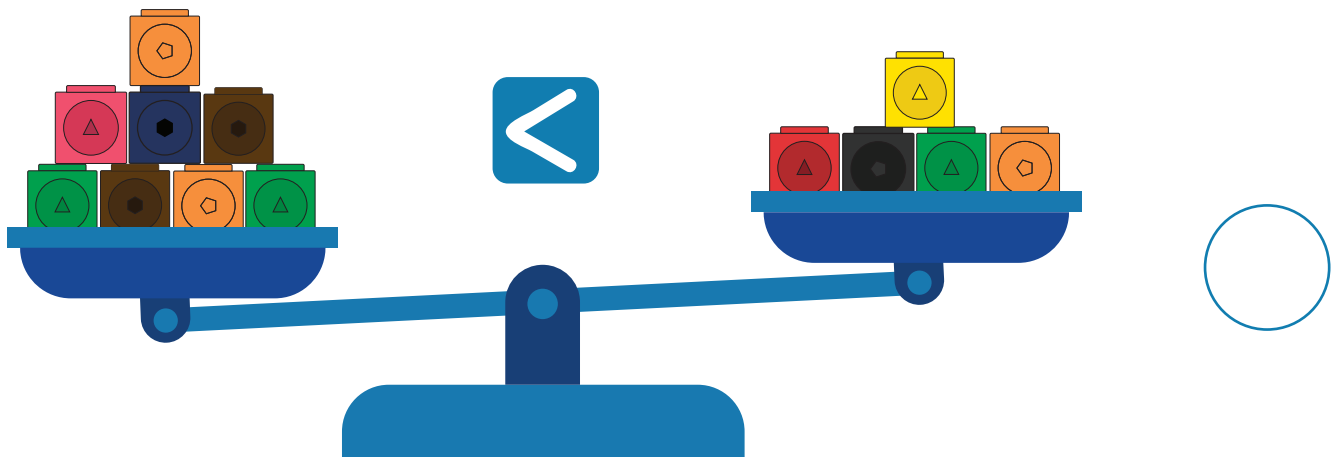

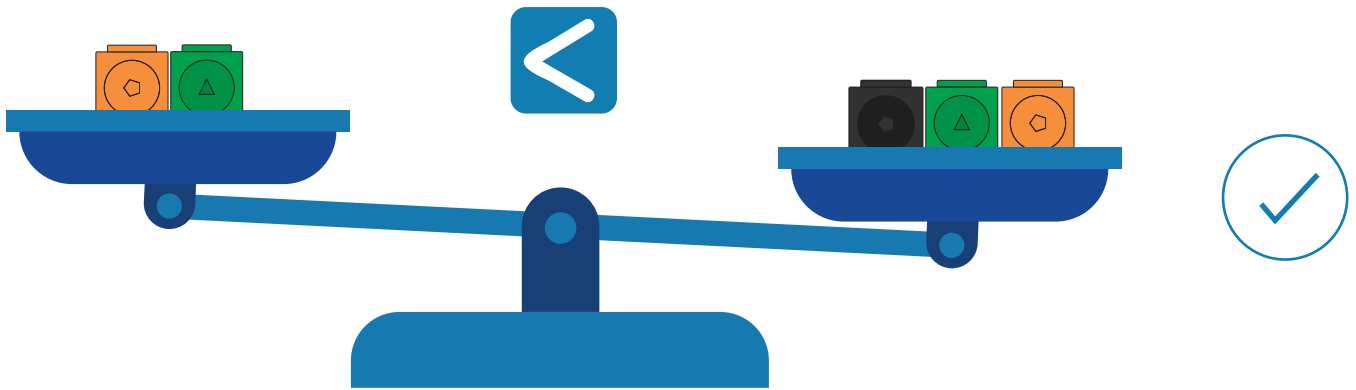

Beri tanda ">" (lebih dari), "<" (kurang dari), dan "=" (sama dengan) pada gambar di bawah ini!

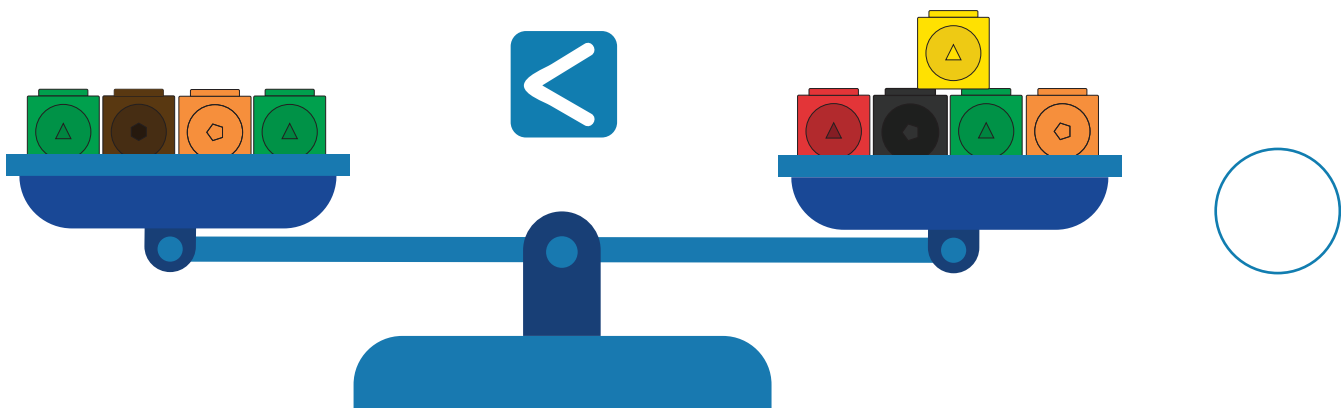

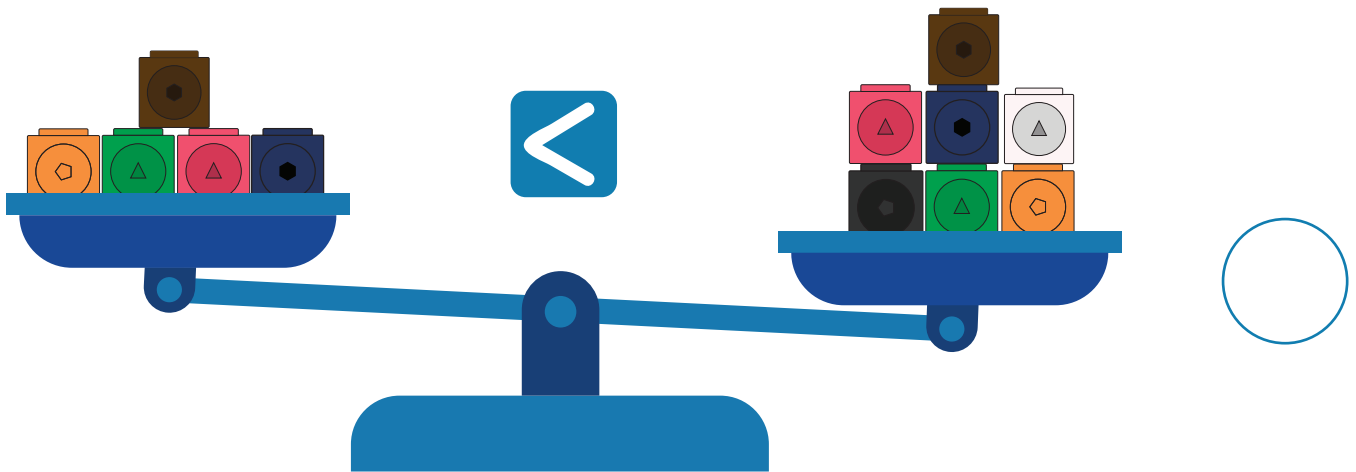

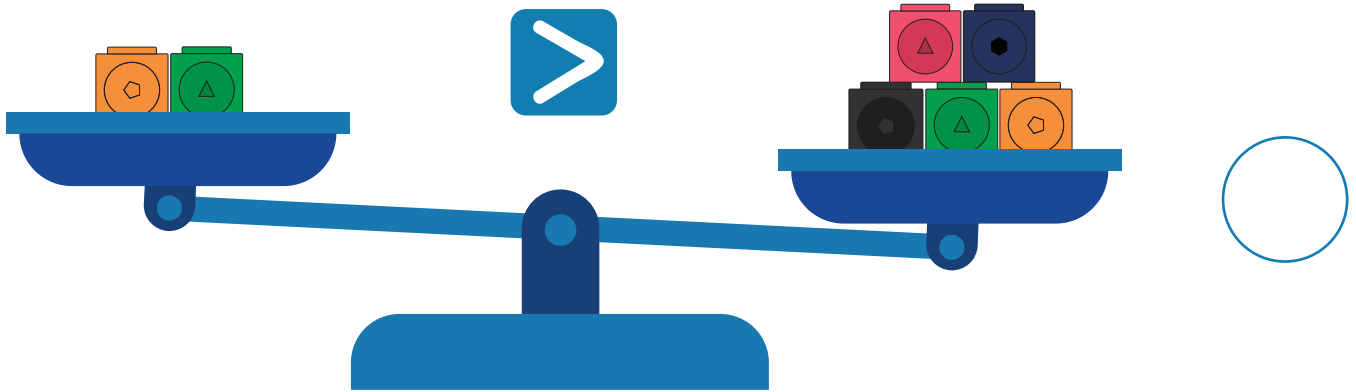

Beri tanda ">" (lebih dari), "<" (kurang dari), dan "=" (sama dengan) pada gambar di bawah ini!

Perhatikan gambar cubes berikut! Hitung jumlah cubes kemudian beri tanda ceklis jika jawaban benar dan tanda silang jika jawaban salah.

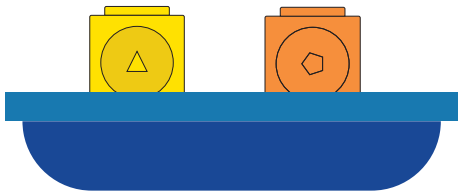

Perhatikan gambar cubes berikut! Hitung jumlah cubes kemudian beri tanda ceklis jika jawaban benar dan tanda silang jika jawaban salah.

Hitung jumlah cubes, kemudian tulis jumlah angka dan gambarlah kotak sesuai dengan jumlah angka.

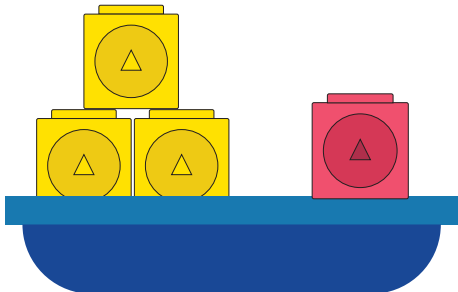

$1 + 1$

=

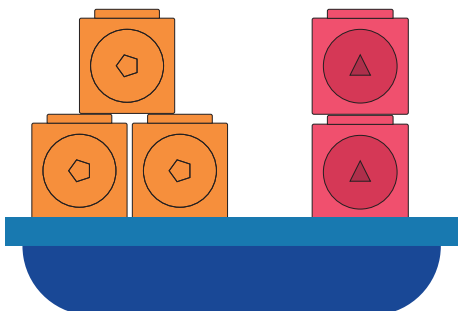

$3 + 1$

=

$3 + 2$

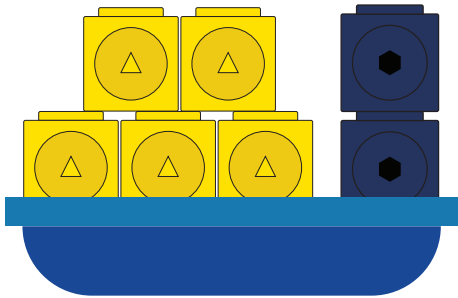

=

Hitung jumlah cubes, kemudian tulis jumlah angka dan gambarlah kotak sesuai dengan jumlah angka.

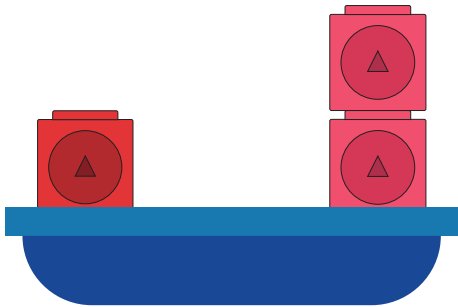

$5 + 2$

=

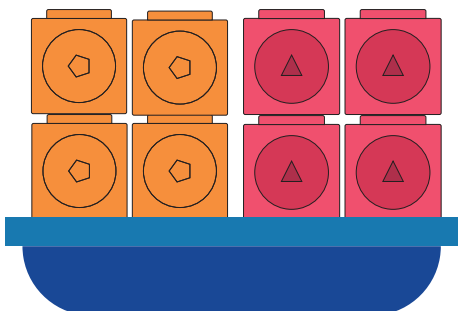

$1 + 2$

=

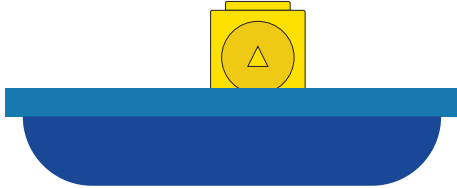

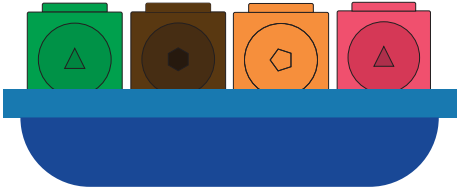

$4 + 4$

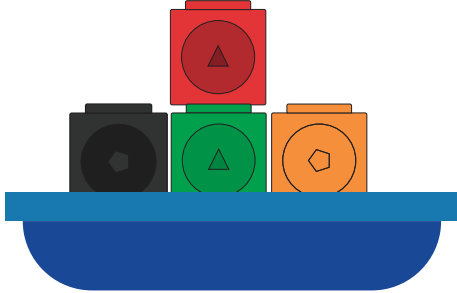

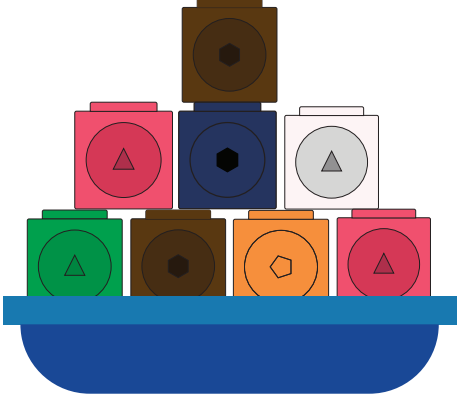

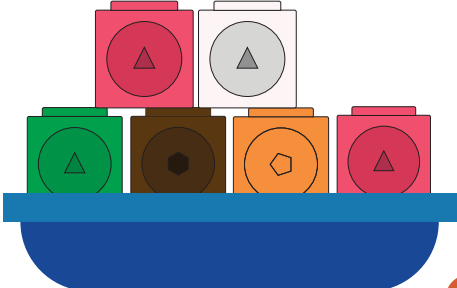

=

Ayo tentukan angka yang tepat pada kotak sesuai dengan hasil penjumlahan!

$$\square + 1 = 4$$

$$\square + 4 = 8$$

$$\square + 2 = 6$$

Ayo tentukan angka yang tepat pada kotak sesuai dengan hasil penjumlahan!

1

+

=

2

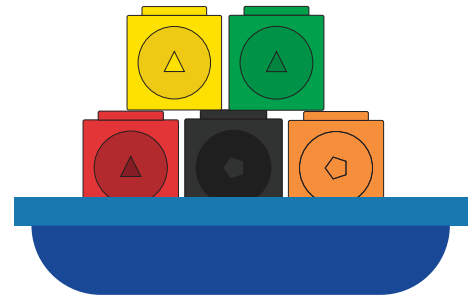

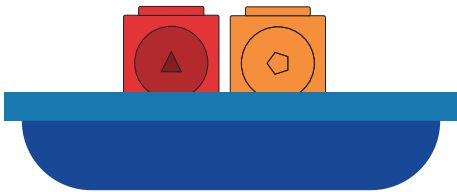

2

+

=

5

5

+

=

8
